

Ms. Ash's News

VOLUME 3, ISSUE 5

JANUARY 30, 2017

What's going on this week??

Hello from Kindergarten! I hope you all had a wonderful weekend. This week, we begin to prepare for our progress reports and conferences. We will begin testing for progress reports. (I cannot believe the 3rd quarter is already half over!) These will come home at conferences on the 20th. Our students will be preparing their binders to show you. Again, please remember that students need to come to these conferences as they will be a vital part of leading the conference. You will find a sign-up for conference times in the folder today. Please indicate your first three choices and send it back. The times will be given in the order they are returned, so please get them back in quickly to assure you get your desired time.

This week, we will continue to work on addition and subtraction and we will be working on time. We will also be reading fiction and non-fiction about dental health.

Have a wonderful week!!

Ms. Ash

Mark Your Calendar!

- February 14th-Valentine's Day
- February 20th-Conferences

THIS WEEK WE ARE LEARNING TO..

- *Reading*– Read fiction and non-fiction. Predict the genre of a book based on the cover.
- *Writing*– Create book cover that will help the reader predict the genre and main elements of the book (characters, main idea, etc.)
- *Math*– Solve Math Stories. Tell and notate time to the nearest hour on an analog clock. Notate addition and subtraction sentences.
- *Unit*– Describe teeth and discuss why dental hygiene is important

Literature this Week: *The Grouchy Ladybug, My Tooth is Loose, The Lost Tooth Club, The Berenstain Bears Visit the Dentist, Just Going to the Dentist,* and *Little House in the Big Woods* among others!

AUXILIARY SCHEDULE
